A,,

Ugh!
You're pretty good...
I guess you're a sword wielder like Tatsumi kun, huh...

Yes, I've been practicing since I was five. My family runs a dojo.
You?

I'm a complete amateur
I only trained for a month before coming here

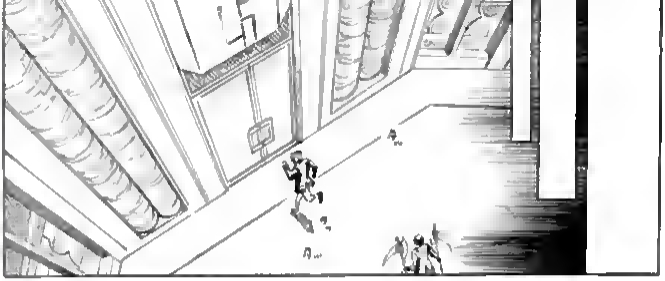
Ugh

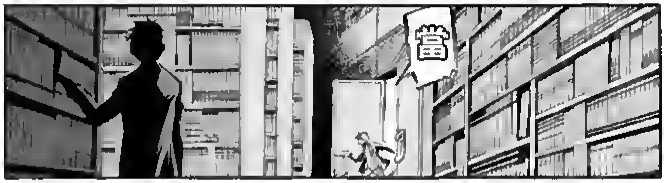
I guess there's only one thing to do !
She's just swinging her swords wildly ...
She hasn't even learnt the basics ...!

She really is
an ama-teur ...
I thought she was bluffing
!!!
I'll end this quickly and go for Tomo-naga !
HYAAAAAAAAH !!
.....

シャラ…。
…?!

!!!
It's true
I lack the skill that comes with experience
How ever
What I lack in experience, I make up for in imagination.
'Imagination' versus 'Experience'...
I will show you which one triumphs in this school.





當

咖
!!!
Ugh ...
It's so dark ...
Whoa !
It's practically a maze in here!

GAH !!
Stop !
Wait a sec, Tatsumi ...!!
He... fainted ?
But how ?
咲
…?
そ～っ

Silence!
This is a *library*
Keep your voice down
Ah, sorry !
You really saved me !!
You're making a ruckus
Tidy this place up
Sorry about that
...

Seal on the brow
Seal on the brow
Seal on the brow
Hmm
But
there's no here ?
...I'm on seriously urgent business here...
咔噠
Ah !
Some one's here
!!!

Can I ask you a question, miss?
Do you know someone with a seal on their forehead? He's called Tomonaga'...
It's...it's you?! But how...?!
Izuru-kun told me he...!!
Eh?
.....
Ah
...!!!
What's that?
---?
That!
Hey. I'm still worried about Aira chan_we should go check on her_
Hey!
Ah!
You're okay, after all!

咔啦
……
Over there
Ugh
I can only imagine what horrors he in there
Well
Should I open it ?
G g go ahead
Whoa

!!!
What the hell ?!
Holy ...!!
Oi !
Quiet down, you lot!
This thing happens all the time!
Quit making a big fuss over it!
This thing
Well I guess you're right about that
Maybe that guy knows about Hakamada's seal
and left him just barely alive on purpose
Ugh that guy really is the worst !
This guy he's still alive!
What?!
After losing so much blood?!
But he's been dead for some time now right?
Why hasn't he revived himself yet?

Ready, Hakamada ...?
What do we with Hakamada now?
First help me grab his legs
Where are we taking him?
Hup!
Have a safe trip to Hell and back!!
Uh, yet another dick move...

Anyway, let's go look for Hirasaka Noa, now where is she?!
Ah this way!
Slice!
huff
huff
huff
Okay!
He's definitely dead!
I'm sure of it!
That's brutal, man
CRACK

...Why are you taking so long?
Hurry up and finish this.
.....
Why haven't I
...been able to land a hit on her since the first cut...?!
.....
I can't let this go on
My life's going to be in danger if I don't end this soon...!
Here I come!!

Impos sible!
She read my moves?!
I've ..I've to hurry ..!!
.....
The next one for sure
She's really agitated..
Aura in our way of the sword there is 'technique' 'spirit' and 'body' out of which 'spirit' is the most important
And 'spirit' can only be gained through experience!
That's right, Grandpa

アホリズム aphorism
This is the 'Spirit' I've accumulated over the past ten years...
Eat this!
Experience
...will never lose to imagination...!!

This ...
This can't be...!
It can't turn out this way ...!!
No ...!!
Gotcha ...!

Why is my class filled with nothing but useless trash ?
Sigh
I'm shocked Osawa-san
Noooo ...
But, your very best was completely ineffective
I... I did my very best...!!
Time to put an end to you
...

What are you tryzng to pull?
You promised to fight me if I won right?
Tomonaga!
I won't allow you to kill another innocent person!!
.....

Is that so?!
Well then, you can just disappear!!
Hyaaah !!!

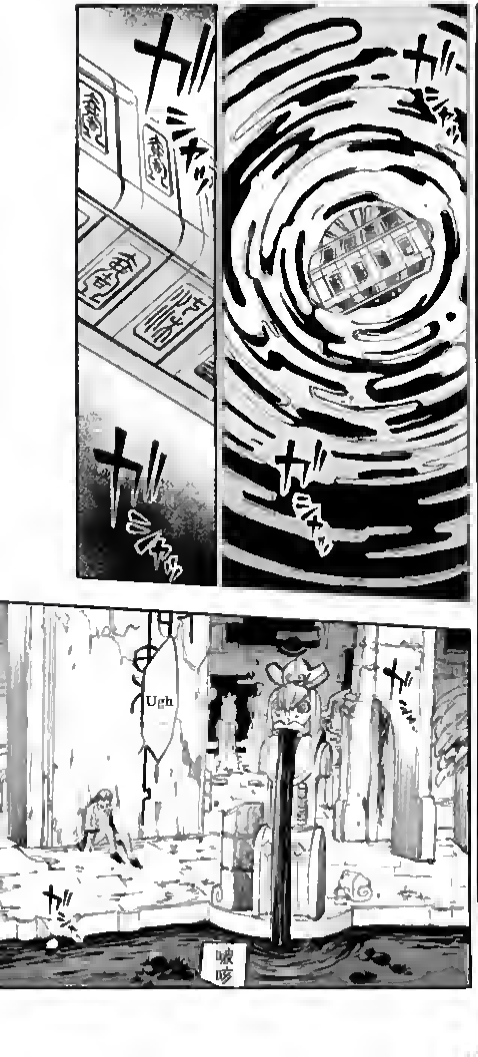
Don't tell me it's
.....
Huh ...?
This light ...

...an Eclipse ?!

Huh?! This is the type that divides us into teams!
Is the number of students divisible by three right now?!
Impossible
!!
I've been keeping track of the number of students left! With those three dead in that room, the number's down to sixty-one...!
Has someone else died?!

No. of students: 61
No. of deaths: 1
*Hakamada still dead

No. of survivors: 60



Ugh
啵哆

Well, no use grumbling to myself now that I'm already here
Yep... I'd totally forgotten all about them.
The eclipse and Hakamada.

CHAPTER 16:
MEETING

宮条カルナ

「ガンガン戦-IXA-」に宮条カルナが参戦!! ご期待!!

Eclipse
(Separation Type)
◆在隔离型中寻找同伴的日向…

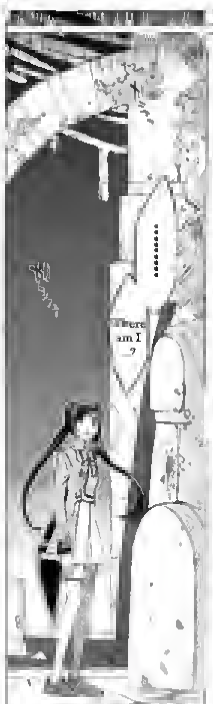
Two team members... sure hope they won't be a handful
I'll pass on having Tomonaga on my team though

But...
Time isn't up yet
Hey!
Tatsumi!!
.....

We don't cast any shadows in this world.
There's just one problem though...
Look.
Well having you on the team definately makes things easier
Let's go search for the third member
We're only here in 'spirit', so as to speak
Our physical bodies have been left behind, back on campus...

Ah
You're wondering why that's a problem?
.....?
When such a situation occurs ..
it's highly likely a shaman is involved in the Eclipse

We have to search for the exit of course
But first we have to find our third team member
A shaman s different from the dragon we previously faced Our attacks might not be effective against it
We can only hope that this trial won t be too troublesome
He wasn't back there so I guess we should head down this path instead
Ah
I've found you.



Shinya Hirosue

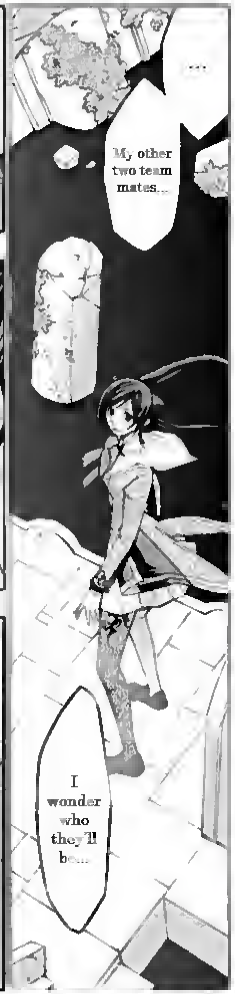
……

I must've been sucked into a separation type of Eclipse

But the fight
...had barely begun...!!

Right now, I have to focus on getting out of this place
No
—I can't afford to dwell on that right now

アホリズム aphorism

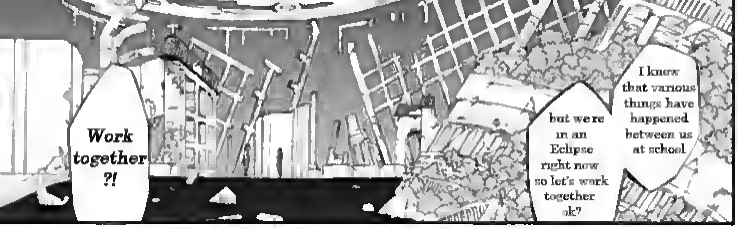


t/n. lolololol ^^^

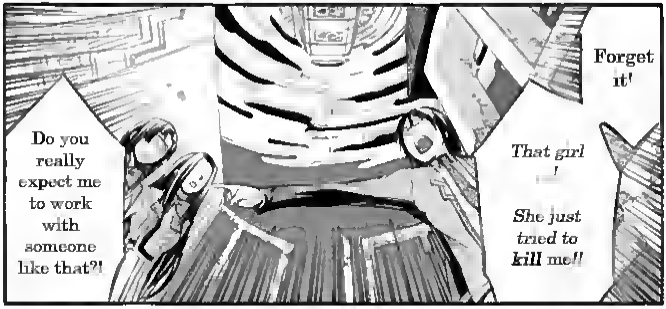
No way!
There's nothing behind it at all!
There must be some reason behind this
Such a coincidence
With the committee member huh
It seems we've been put together again for this Eclipse.

It seems we have no choice but to get married.
Whaaat ?!
No, we must first be wed.
!!!
!!!
A separation eclipse at this time. ?
Why, you ....!!
The urge to kill them is stronger than my urge to kill Tomonaga !!
Just kidding
You must be a fool
Are you an idiot?

Ah
You're from Group 4
Y yeah
!!!
Alright all our team members are together now
Let's go Miko chan
Ok
Why is she here?
?
Tobari kun
.....



I knew that various things have happened between us at school
but we're in an Eclipse right now so let's work together ok?
Work together ?!



Forget it!
That girl ...
She just tried to kill me!!
Do you really expect me to work with someone like that?!

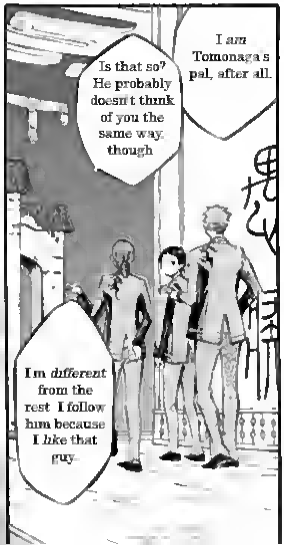
Hey!!
If we don't work together in the Separation Eclipse, who knows what will happen!!
We should put aside our personal feelings and...
I refuse!
If you want to 'work together' so badly, do it by yourselves!
Don't drag me into it!
Hey!
Wait!!

Normally, I have so much free time that I'm bored out of my mind.
Me? Well ...
Say, I haven't seen you around in school before...
You a slacker or something?
Gee, who knows?
Must've been some kind of mistake
.....
...I wonder why a Separation Eclipse is happening now, though.
Tomonaga hasn't said anything 'bout it.
Your situation hasn't changed one bit
But don't think that you've been saved by the Eclipse
That's when I get my turn
So I'd arrange to meet up with Tomonaga whenever an Eclipse takes place

You two as well as the rest of the Group 1 students
are going to meet the end at Tomonaga's hands

Ha.
You seem pretty confident about surviving this time's Eclipse.

Besides, I'm pretty powerful myself too!
Hmm... is that so...?



I am Tomonaga's pal, after all.
Is that so? He probably doesn't think of you the same way though.
I'm different from the rest. I follow him because I like that guy.

!!!
Tat sumi?!
Hey, Tatsumi!!
Tatsu ...!!
Why don't you check it out for us, Tatsumi-kun!!
Is it boiling? It doesn't seem to be giving off any heat
Beats me.
I wonder what this is
What's going on?
I don't see a door anywhere ...
The exit doesn't have to be a door, you know.
uh... we should really count the number of dick moves made in this series, don't ya think?

Ehhh?
He's not floating back up?

You rotten scum-bag!!
Hirosue, you..!!
It'd be a real pity to see a former friend be ripped to shreds by Tomonaga...
I'm doing this for *his* sake, you know.
Chill out, man.
Besides, that guy's wanted by Group 4...
What's the big deal?

You ...!!
Tatsumi !!
Tatsumi ?!
Are you alright Tatsumi?!
...
Ah, sorry!
Grab my hand!

Hah?
Just stay behind me alright?
Hmm ?
You scared?
Haha
Listen up wiseguy
Pull a stunt like that again, and you'll be the next one in that pool of gunk...!

Ahaha-
haha
haha-
haha!!
You listen! Just stay behind me got that?
I'm so scared!
Ha-
ha!!
Hahaha
hahaha
hahaha
!!
Ha
ha
Tsk
We're getting out of this place as soon as possible
!

A Separation Eclipse?
Why would there be one right now—?
This is way off schedule
I wonder what's going on

Izuru kun!
Who's the third person?
Have you seen him or her?
Wait
There's some thing I need to tell you.
Ryo?
That person... he's still alive
Momiji Rokudo

He was looking for you...so I think it'd be dangerous for you to bump into him...
I think you should get out of here as soon as possible and find a way to hide from him...
So...
...Scar on the brow.
He's *alive?*
Even without a heart?
No doubt about it...it looked exactly like him, and he was *alive and walkin'*...!!

So, you're the one
The guy with the kanji To
on his fore-head.
I've found you at last ...
...Tomonaga.

I've been looking for you forever you know
This is the first time you've met me in this form, isn't it...
